WELCOME TO SOUTH CURL CURL NIPPERS

This handbook sets out information about the Nippers program at South Curly. It is useful to both new parents that are considering signing their kids up and renewing nippers.

After over 105 years in active service, South Curl Curl Surf Lifesaving Club continues to build on its strengths – on the sand, in the water, and socially! Our Nippers have maintained strong numbers over the past few years and we have over 400 blue, yellow & white caps running around our glorious beach each Sunday.

Like all surf clubs South Curly is very family oriented and the focus is primarily to ensure that our Nipper program is fun, safe and educational; not only for the children but also for the Mums and Dads who join us on Sunday mornings at our beach. Our aim is to safely teach kids beach craft, and a life-long passion for the ocean. We are a very inclusive club and pride ourselves on making Nippers accessible to all and providing opportunities for all Nippers regardless of their abilities. We encourage kids to “have a go” at Nippers sessions, training and carnivals (if we have enough officials, any eligible child can enter carnivals), and we have an Additional Needs (Rippers) group that has been running successfully for a number of years.

Socially we are very active—look out for our infamous BBQ’s on the deck, Sippers, Racecourse camping trip, and other occasions to get together and have a chat.

SUNDAY ACTIVITIES

To give the little ones a chance to use the beach & pool without being "crashed" by the big kids, we have different starting times for the younger age groups as follows:

8.45am – 9.45am Under 6, 7 and 8 and SRC

10am – 11am Under 9 – Under 13 and Rippers (Additional Needs Nippers)

The younger age groups can take longer than the allocated hour depending on numbers and helpers available. Nippers assemble behind their age marker on the beach for roll call and must be wearing their age-colour nipper cap and have **sunscreen applied** before Nippers starts. At the end of the nippers session, each child **must** be marked off the roll prior to leaving with parent. Nipper caps are to be removed once Nippers has finished.

PLEASE NOTE: WE REQUIRE A PARENT OR GUARDIAN TO BE ON THE BEACH AT ALL TIMES DURING NIPPERS (NIPPERS IS NOT A CHILD-MINDING PROGRAM).

SOUTH CURLY WELCOMES PARENT PARTICIPATION – WE ENCOURAGE PARENTS TO BECOME AGE MANAGERS / AGE ASSISTANTS OR BRONZE-PROFICIENT WATER SAFETY TO BE INVOLVED “ON THE BEACH”.

NIPPER SEASON START

The 2023/2024 season commences on **SUNDAY 15th OCTOBER 2023.**

UNIFORM & GEAR SALES

For safety reasons ALL children MUST wear a cap during all Sunday Nippers activities.

Different cap colours are assigned for each age group, as shown below. If your child is continuing from last year, they will be able to reuse their cap. The caps are also reversible allowing them to be used as a South Curly cap for competition or assessment. **ALL participants in aquatic activities must also wear a high visibility vest.** Children are also encouraged to wear club costumes and club swimsuits. Club caps are to be removed once Nippers has finished.

U6	Navy
U7	Lime Green
U8	Mauve
U9	Aqua
U10	Royal Blue
U11	Yellow
U12	White
U13	Red
U14 “The SRCs”	South Curly Cap
Rippers	South Curly Cap

Age Group Cap Colour for 2023-24.

It's very helpful to your Age Managers and helpers if the kids have their name written on their cap (big letters) and it helps with lost property also.

Club Gear is on sale online via TeamApp.

Apart from all the Nippers gear, we have a great range of kids and adult swimwear, towels, t-shirts, caps etc. They all make great gifts too!

AGE GROUP CALCULATION

The age group for your child is calculated from the age they are on or prior to 30 Sept. For example, if your child is 11 on the 30th September they will be in the Under 12 age group for the season. Note: Proof of age must be sighted for all new children joining a club. *Note 1: A child may join as soon as they turn five years of age. We cannot accept membership of a child until they have reached the age of five years to comply with insurance requirements. A child who reaches five years of age after 30th September may join nippers at that time for the remainder of the season; however, this child will be required to remain in the U6 nippers age group again the following season.*

THE AGE YR CHILD IS @ 30 SEPT	NIPPERS AGE CATEGORY
5	Under 6
6	Under 7
7	Under 8
8	Under 9
9	Under 10
10	Under 11
11	Under 12
12	Under 13
13	Under 14

Note 2: Whilst we understand that the kids like to participate with their friends, Surf Life Saving states that each child should participate and compete in their correct age category. Regardless of a child's skill level or ability, they may not be covered by insurance if they do not compete in their correct age group. This also affects your child's ability to receive certifications of achievement and attainment during the season as the Surfguard System will only recognise them in their correct age group category and the club will not issue awards to those not in the correct age category. So, we ask that you please encourage your children to make new friends in their correct age group.

PARENTS RUN NIPPERS!

The Club operates entirely on volunteer help. There are many jobs, and many don't need surf lifesaving experience. It is our experience that ***the more you're involved, the more your child will enjoy Nippers.***

Roles that parents can help with include:

- Age Managers
- Water Safety (Bronze Medallion required)
- Clothing Sales
- Fundraising
- Carnival Entry Assistance
- Carnival Judge/Official

Your assistance throughout the season will be regularly required and counted on. Please offer your help so that our wonderful Age Managers come back next season!

BRONZE MEDALLION ANYONE!

At the beginning and during the season training is arranged for people interested in obtaining their Bronze Medallion. The Bronze Medallion course can be one of the most rewarding courses you can attempt – often a great personal achievement. Once qualified it helps us meet our water safety requirements as SLSC mandates that nippers water safety must be performed by proficient Bronze Medallion holders. Having achieved your Bronze Medallion, you can also join the South Curl beach Patrols; another great way to participate in the Club, meet new friends and give back our community.

SPEAKING OF AGE MANAGERS!

If you would like to help run Sunday morning events, please let us know—we always need keen people. If you have previous experience and/or Bronze Medallion this is an advantage but not essential.

Age Managers

An Age Manager plays the lead role in the journey of nippers from U6's through to U14's. Age Managers are required to manage all facets of their age group on the beach in conjunction with Age Manager Assistants. Often, an Age Manager will commence in the U6 age group and will stay with this group until they reach U14's. Their own child may also be a participant in the age group they are managing.

There is a course for Age Managers which is available online, however we also regularly organise and offer this as a group, face to face. The Age Manager course consists of three modules, following which a practical session on the beach will need to be completed to be signed off for the Age Manager Award. This will be organised by the our Junior Activities Coordinator and will involve putting the new skills into practice. A pre-requisite for the Age Manager course is the Child Safe Awareness online course. This will take 20-45 minutes to complete.

Age Managers complete a simple, annual update and every five years they will need to renew their Age Manager award completely.

Age Manager Assistants

This year we are also actively encouraging members to be Age Manager Assistants to help our Age Managers, so they can help with activities on the beach and build on their instructing skills. The minimum requirements are:

- Min age 13 years.
- Complete the Child Safe Awareness online course.
- Successfully complete the online Age Manager course component.

Age Manager Mentors

To provide more support for Age Managers, an Age Manager Mentor Course has been created. This course has been developed to encourage Age Managers to upskill in a leadership role as an Age Manager Mentor on the beach. For further information contact your Club Junior Activities Coordinator.

CHILD PROTECTION

Any parent assisting on the beach should be registered as an associate member to cover insurance issues. Age Managers and Water Safety (where outside your own child's age group) also need to apply and show proof of approval for the "Working With Children Check" (WWC) for child protection. Please complete the registration process at:

<http://www.kidsguardian.nsw.gov.au/working-with-children/working-with-children-check>

and once you received your approval email (from 1 week, but up to 4 weeks), please email your approval WWC number and details to: mail@southcurlcurlslsc.com.au.

SOUTH CURLY ALL ABILITY RIPPER NIPPERS PROGRAM

Run in conjunction with the Cerebral Palsy Alliance at Allambie Heights, South Curly is very proud to offer a modified nipper program for children & youth with additional needs. The program has been developed to allow inclusion for all children & youth aged 5 to 15 and aims to teach the following skills:

- surf awareness and
- beach safety

The sessions will also include fun activities such as:

- beach races,
- flags,
- wade and swim races.

As members of this group become more confident in the water, they learn skills to be able to use nipper surfboards and catch a wave or two to shore.

The Rippers group are supported by volunteers from South Curl Curl Surf Lifesaving Club, however family members are actively encouraged to participate with their child so everyone has the opportunity to share in the excitement as each member masters new skills throughout the season.

South Curl Curl encourage members of 'Rippers' to join in their age mainstream group if they wish and are welcome to participate in both groups. Our main focus is to make sure members are actively learning whilst having fun!

Email Kirsten Quinn – rippers@southcurlcurlslsc.com.au if you have any requirements for this program or would like to help out.

SUN PROTECTION

Please make sure your child has their sunscreen applied before they join their age group. Please note: Age Managers are neither responsible nor allowed (child protection laws) to apply sunscreen to the children, this is your job.

NIPPER BBQ'S

To help fundraise, the boat crews have offered to hold regular Breakfast BBQ/Sausage Sizzles during Nippers on a Sunday morning on the promenade.

When the BBQs are run, please support the club and buy some brekkie when you can.

SURF EDUCATION

The SurfEd program is what Nippers is all about and is based on a clearly defined structure and outcomes to aid the children's lifesaving development. During the season, all Nippers can gain their respective SurfEd award for their age group. These certificates are only issued to children participating in their correct age group who have met the minimum requirements regarding attendance and participation.

ADDITIONAL TRAINING

South Curl Curl offers additional training for interested members in the following areas:

Board Training (U9 - U14) **Wednesday 5-6pm TBC** (see TeamApp Chat room for updates)

Sprint & Flag (U8 – U14) **Thursday 5-6pm TBC** (see TeamApp Chat room for updates)

Note: training sessions still need to be confirmed as we need helpers to volunteer and organise for these to be safely run and successful, so please come along and lend a hand if you can.

JUNIOR ACTIVITIES PRELIMINARY EVALUATION

Preliminary Evaluations are required to be completed prior to starting nippers each year. This is not a proficiency process, but a skills evaluation to enable us to determine the level of water safety required for participants.

All new junior members will be supported by a 1:1 water safety ratio (water safety personnel: activity participant) when completing the evaluation. For all junior members returning from the previous season where knowledge of their ability is known by the us, a 1:5 water safety ratio (water safety personnel: activity participants) may be used. Evaluations will be conducted in a low-risk environment.

South Curl Curl SLSC requires the following members as delegates to assess Junior Preliminary Evaluations:

- Has a minimum of two (2) years experience as an accredited Age Manager.
- Is a minimum of 18 years old.
- Holds a proficient Surf Rescue Certificate or proficient Bronze Medallion.
- Approved by their club and noted at a club meeting.

CARNIVALS

Carnivals are a great way for kids to test the skills they have developed at nippers. We encourage all kids to go along and have a go. It's about building up confidence and enjoying the events. Sydney Northern Beaches Branch conducts Carnivals during the season for age groups U8 upwards for Beach, and U9 upwards for Water.

The team events like Beach Relay, Board Relay, Cameron Relay, and Board Rescue are a great way for the kids to get involved as a group. We don't have selection criteria for carnival team events but your attendance at regular nippers and team training may be considered if we have a limited number of teams.

The only restriction to entering nippers in carnivals is that we provide 5 officials. Roughly this equates to 1.25 officials per 10 nippers we enter. **For the 2023/24 we will need carnival officials, a competition manager and water safety** for our nippers to continue to be benefiting from these organised events. The carnival official course has no pre-requisites and is open to anyone. Furthermore, you pick the area in which you wish to officiate on the day and you have the best beach-side view of what's going on.

With regards to other information on carnival events and entries, please see our **Nipper Surf Sports Manual**. To ensure that this is a smooth process for all involved we all have roles and responsibilities so please read the manual to check what you (as a parent of a competitor) are required to do.

CARNIVAL DATES, NIPPERS AND SIPPERS

Not all carnivals will be run during the Sunday nipper times (again this year there are some on Saturdays), but regardless of whether a carnival is on, nippers will still be held on Sunday with the exception of the branch carnival weekend if carnivals are on, and a special Friday twilight sippers after board camp in January. ALL notifications for nipper events can be found in the "Key Events" in TeamApp so there is NO confusion. Please make sure you are aware of these Carnival days by noting the Key Events button in the South Curl Curl Surf Life Saving TeamApp.

REGISTRATION

IMPORTANT SEASON 2023/2024 SEASON INFORMATION:

THERE WILL BE AN ONSITE CLUB REGISTRATION DAY BEING HELD SUN, SEP 3rd, 2023. REGISTRATIONS ARE ALSO BEING TAKEN ONLINE. TO RENEW ONLINE PLEASE VISIT [MEMBERS.SLS.COM.AU](https://members.sls.com.au) TO LOGIN, CREATE AN ONLINE ACCOUNT OR JOIN THE CLUB. NEW MEMBERS WILL NEED TO EMAIL ID FOR EACH MEMBER TO mail@southcurlcurlslsc.com.au

SLSA requires all nippers to be current financial members, non-financial members will therefore not be able to participate until their membership is renewed and paid online. This season both new and renewing MEMBERSHIPS MUST BE COMPLETED ONLINE - Membership renewal and payment.

You need to create an online account for each club member (this is because the account moves with the member throughout their surf lifesaving membership). To make life easier you can use the same log in and password for each member and you are able to make a family payment in one go rather than

separate payments for each member.

Once this is set up, next season the renewal process is as simple as clicking on RENEW!

Please note that ALL NEW CLUB MEMBERS will be required to send proof of age (ie. birth certificate, drivers licence, passport) to the club mail@southcurlcurlslsc.com.au.

2023/24 FEES ARE:

- \$70 ACTIVE PATROLLING ADULT
- \$30 ACTIVE PATROLLING CADET (POST SRC - U18)
- \$100 NIPPER (U6 TO U14)
- \$250 FAMILY CAP
- \$50 ASSOCIATE/SOCIAL MEMBER (**THIS MEMBERSHIP FEE IS MANDATORY FOR AT LEAST ONE PARENT. TO HELP ON THE BEACH YOU MUST BE AT LEAST AN ASSOCIATE MEMBER FOR INSURANCE PURPOSES** and sign the club's working with children declaration)

Family is assumed to be up to 2 adults and their children who are Under 18 or full-time students.

Gym Memberships are only available to patrolling members and subject to availability.

Note: Anyone undertaking the SRC with the U14s training group must pay nipper fees regardless of age.

SOUTH CURL CURL SLSC APP: INTRODUCTION AND QUICK START GUIDE

To communicate on the run and to stay up to date with what's happening we recommend you download our SCCSLSC App to your smart phone, or tablet.

Step 1. Download "Team App"

OR

Download "Team App" to your smartphone from the Apple App Store or Google Play. Create an email-based login and associated password (and remember this for future).

Step 2. Search for "South Curl Curl SLSC or SCCSLSC"

Register for South Curl Curl Surf Life Saving Club.

Note: to access App through computer and web address – ie. no smartphone/tablet, please use the following: <https://sccslsc.teamapp.com/>

Step 3. Select ALL appropriate Access Groups to join

Access Group options: U6s, U7s, U8s, U9s, U10s, U11s, U12s, U13s, and U14s – THE SRC SQUAD.

(For example, for two child family – one in U8s, the other in U11s, then you would register for both U8s and U11s).

For accredited Bronze certification, please also indicate "Bronze" and "Water Safety" groups (requires validation to join).

For accredited Age Managers, please also indicate "Age Manager" group (requires validation to join).

For accredited Officials, please also indicate "Officials" group (requires validation to join).

Step 4. Enjoy the App – but here are some quick pointers.
