## **WELCOME TO SOUTH CURL CURL NIPPERS**

This handbook sets out information about the Nippers program at South Curly. It is useful to both new parents that are considering signing their kids up and renewing nippers.

After over 106 years in active service, South Curl Curl Surf Lifesaving Club continues to build on its strengths – on the sand, in the water, and in our community! Our Nippers program has always been an integral part of our club, where we focus on having fun while learning the important skills of beach safety and a lifelong passion and respect for the ocean. We hope that through the supportive environment of Nippers, we are developing our future surf life savers, that will hopefully, one day, take over the responsibility of patrolling our amazing South Curl Curl beach.

We are an inclusive Surf Club and pride ourselves on making Nippers accessible to all and providing opportunities for all Nippers, regardless of their abilities, to participate and enjoy learning in the beach environment. We encourage our Nippers to “have a go” during our Sunday sessions, training afternoons and carnivals (if we have enough volunteer officials and eager parents for those Nippers that would like to compete). With our amazing Rippers Nipper program, we can also provide a side-by-side disability program for children, youth and adults with additional needs. This program provides a supportive and individually adjusted program to allow inclusion for all participants who want to be part of the Nippers fun.

As we embark on this new season, we look forward to seeing our Nippers grow, learn, and have fun. We hope you make lasting memories and friendships while developing essential lifesaving skills. Welcome to the South Curl Curl Surf Life Saving Club family, and we look forward to a fantastic Nippers season!

## SUNDAY ACTIVITIES

### When and Where

To give the younger age groups a chance to use the beach & pool without being inundated by the older Nippers, we have separate starting times for the younger and older age groups:

- **8.45am - 9.45am      Under 6, 7 and 8 and SRC (U14)**
- **10.00am - 11.00am      Under 9 – Under 13 and Rippers**

The younger age groups can take a bit longer than the allocated hour depending on numbers and helpers available.

### Sign-In and Sign-Out:

All Nippers must be signed in at the start of each session and sign out with their Age Manager before leaving their age group. If you need to take your child out of a session early or they are unwell and cannot finish the session, ensure the Nipper is signed off by the Age Manager or assistant before leaving the beach. It is the parents' responsibility to ensure their child has signed in and out, regardless of the age group.

### What to Wear

For safety reasons ALL children MUST wear the following uniform during all Sunday Nippers activities:

- **Nipper age colour cap**
- **Yellow SCC rash-vest**

Different cap colours are assigned for each age group, as shown below. If your child is continuing from last year, they will be able to reuse their cap.

Nippers caps are to be removed once Nippers activities have finished.

**Age Group Cap Colours for 2025-26**

U6	White
U7	Red
U8	Pink
U9	Lime Green
U10	Mauve
U11	Aqua
U12	Royal Blue
U13	Yellow
U14 “The SRCs”	South Curly Cap
Rippers	South Curly Cap

Please write your child's first name in large letters using a thick waterproof black marker on both sides of their cap. This will assist the Age Managers and our Water Safety team identify the Nippers easily and is also helpful with lost property.

Uniforms can be purchased online through the StackTeam App, and pick-up can be arranged through the South Curl Curl uniform shop, which will be open on our Nippers Open Day as well as on most Sundays during the season.

### **Sun Safety**

To ensure all Nippers are well protected from the sun, please apply sunscreen 30 minutes before arriving at the beach and ensure they are wearing a rash vest when appropriate. Bring a drink bottle for hydration during warmer weather and to wash out any sand that may get into their eyes.

### **Wetsuits**

Nippers is about having fun, and for many children, enjoying the sand and water activities is challenging when they become cold (especially at the beginning of the season when ocean temperatures are still low). A well fitted wetsuit or wetsuit top is recommended while temperatures are still mild, to ensure Nippers are able to enjoy their Sunday morning activities. For safety reasons, the yellow SCC rash vest must still be worn over the top of the wetsuit.

**PLEASE NOTE: A PARENT OR GUARDIAN IS REQUIRED TO BE ON THE BEACH AT ALL TIMES DURING NIPPERS (NIPPERS IS NOT A CHILD-MINDING PROGRAM).**

**SOUTH CURLY WELCOMES PARENT PARTICIPATION – WE ENCOURAGE PARENTS TO BECOME AGE MANAGERS / AGE ASSISTANTS OR BRONZE-PROFICIENT WATER SAFETY TO BE INVOLVED “ON THE BEACH”.**

## AGE GROUP CALCULATION

The age group for your child is calculated from the age they are on or prior to 30 Sept. For example, if your child is 11 on the 30<sup>th</sup> September they will be in the Under 12 age group for the season.

THE AGE OF CHILD AT 30 <sup>th</sup> SEPT	NIPPERS AGE CATEGORY
5	Under 6
6	Under 7
7	Under 8
8	Under 9
9	Under 10
10	Under 11
11	Under 12
12	Under 13
13	Under 14

We understand that the kids like to participate with their friends and we will accommodate where possible, however, there is some restriction to the flexibility of moving children between their designated age groups. Please contact the Junior Activity Chair at [nippers@southcurlcurlsc.com.au](mailto:nippers@southcurlcurlsc.com.au) if you wish to discuss the possibility for your child to participate outside of their designated age group.

## THE RIPPERS NIPPER PROGRAM

South Curl Curl offers a side-by-side disability Nippers program for children, youth and adults with additional needs. Following the SLS Nipper program, the program has been developed to allow inclusion for all participants aged 6 to 40+ **and** can be modified for each individual.

The program aims to teach the following skills:

- surf awareness and
- beach safety

The sessions will also include fun activities such as:

- beach races,
- flags,
- wade and swim races.
- obstacle races

As members of this group become more confident in the water, they learn skills to be able to use nipper surfboards and catch a wave or two to shore.

The Rippers group are supported by volunteers from South Curl Curl Surf Lifesaving Club, however family members are actively encouraged to participate with their child so everyone can share in the excitement as each member masters new skills throughout the season.

South Curl Curl encourage members of 'Rippers' to join in their age mainstream group if they wish and are welcome to participate in both groups. Our main focus is to make sure members are actively learning whilst having fun!

Email Kirsten Quinn – [rippers@southcurlcurlslsc.com.au](mailto:rippers@southcurlcurlslsc.com.au) if you have any questions about or would like to help out with our Ripper program

## VOLUNTEERS RUN NIPPERS

The Club operates entirely on volunteer help. There are many jobs, and for many you don't need surf lifesaving experience. It is our experience that ***the more you get involved, the more your child will enjoy Nippers.***

Official roles that volunteers can help with include:

- Lead Age Managers
- Age Managers
- Age Group Assistants
- Water Safety (Bronze Medallion required)
- Carnival Entry Assistance
- Carnival Officials

Some of the most helpful roles include:

- Marking the Nippers on/off the ropes at the start/finish of Nippers sessions
- Retrieving and managing the ice blocks for the end of the session (an extremely vital role!!)
- Setting up/packing down equipment used for the session (age signs, hoops, balls, boards, etc) and making sure they are returned neatly to the Nippers Room.

Your assistance throughout the season will make a huge difference to the success of our Nippers program. Please reach out to our wonderful Age Managers on the beach or email [nippers@southcurlcurlslsc.com.au](mailto:nippers@southcurlcurlslsc.com.au) if you can help us in any way.

## AGE MANAGERS

If you would like to officially help our current Age Managers coordinate Sunday morning sessions, please let us know—we always need more people. Previous experience and/or Bronze Medallion is advantage, but not essential. Much of the help needed is organising and guiding our Nippers through their activities. There are pre-written resources to follow and experienced Age Managers on the sand that will provide support and mentorship as you learn the ropes. We welcome on board anyone interested in helping, in any capacity – many hands make light work.

Anyone officially assisting with the Nippers sessions on the beach and in the water should be registered as an associate member of the Club to ensure you are covered by the appropriate insurance.

## WATER SAFETY

### Bronze Medallion

Parents and carers are not permitted to join their children in the swim or board activities unless they are current proficient bronze holders and signed in as water safety volunteers. Parents are encouraged to obtain their Bronze Medallion to fulfill this requirement.

At the beginning and during the season training is arranged for people interested in obtaining their Bronze Medallion. The Bronze Medallion course can be one of the most rewarding courses you can attempt – often a great personal achievement. Once qualified it helps us meet our water safety requirements as SLSA mandates that nippers water safety must be performed by proficient Bronze Medallion holders. Having achieved your Bronze Medallion, you can also join the South Curly Beach Patrols; another great way to participate in the Club, meet new friends and give back our community.

## Nipper Safety Assistants (NSA)

A new Nipper Safety Assistant (NSA) Award has been created by SLSA to assist clubs with additional resources for water safety during Nippers. NSAs can support Water Safety Personnel during Nipper activities when:

- Conditions are confirmed as low risk eg. in the pool
- The age group is U8 or below.
- Activities are shallow water only.
- NSAs do not make up more than 50% of the water safety team for the Nipper activity.

Volunteers wishing to become an NSA will need to complete the following skill evaluation:

- Swim 50m
- 2 min treading water
- Knowledge of signals
- Rescue tube orientation and practice

## CHILD PROTECTION

Age Managers and Water Safety (where outside your own child's age group for more than 5 sessions) also need to apply and show proof of approval for the "Working With Children Check" (WWC) for child protection. Please complete the registration process at:

<https://www.service.nsw.gov.au/transaction/apply-for-a-working-with-children-check> and once you received your approval email (from 1 week, but up to 4 weeks), please email your approval WWC number and details to: [mail@southcurlcurlslsc.com.au](mailto:mail@southcurlcurlslsc.com.au)

## PRELIMINARY SKILLS EVALUATION

Nippers is not a learn-to-swim program and does not teach children to swim. While being a good swimmer is not required, we highly recommend enrolling your children in learn-to-swim programs or squad training.

Before children can participate in any water activity, they must complete the Preliminary Skills Evaluation (see table below). These requirements are tailored to match the abilities and developmental stages of the children, ensuring they are comfortable and capable in the water.

These evaluations will be carried out in the South Curl Curl rockpool during the first few weeks of the Nippers season. Prior to any competition Nippers must complete the next phase of this evaluation i.e. Competition Skills Evaluation. Details of the Junior Activities Competition Skills Evaluation requirements can be found on the SLSA website.

Nippers who cannot meet the skills evaluation for their age group, will need to be supervised 1:1 by a Water Safety volunteer during any water-based activities. In this situation, their participation may be limited by the availability of adequate Water Safety volunteers at the time.

In instances where evaluations cannot be completed during the Nippers sessions, a qualified and accredited swim coach can complete the evaluation. In this instance, please contact the Junior Activities Chair to arrange a copy of the required template with the required information for the evaluation.

### **Stage One: Under 6, Under 7, Under 8**

Aquatic Play and Fundamental Aquatic Skills (FAS).

Recommended depth of safe aquatic environment – 1 metre

	<b>Under 6 (DOB 1/10/2019-30/09/2020)</b>	<b>Under 7 (DOB 1/10/2018-30/09/2019)</b>	<b>Under 8 (DOB 1/10/2017-30/09/2018)</b>
<b>Flotation</b>	Back or front float for a minimum of 5 seconds, recover to stand.	Back or front float for a minimum of 10 seconds, recover to stand.	Back or front float for a minimum of 15 seconds, recover to stand.
<b>Submersion</b>	Submerge to touch the bottom with hands.	Submerge to touch the bottom with hands	Submerge to touch the bottom with hands
<b>Propulsion</b>	From standing position in waist deep water, perform a front glide (1-2 metres) & recover to stand.	From standing position in waist deep water, perform a front glide (2-3 metres) & recover to stand.	Swim on front any stroke (distance 20 metres) followed by swim underwater (distance 2-3 metres).

\* A child's age group is determined by their age as of 30 September of that year

## **Stage Two: Under 9, Under 10, Under 11**

Applied Aquatic Skills.

Recommended depth of safe aquatic environment – 1.5 metres

	<b>Under 9 (DOB 1/10/2016–30/09/2017)</b>	<b>Under 10 (DOB 1/10/2015–30/09/2016)</b>	<b>Under 11 (DOB 1/10/2014–30/09/2015)</b>
<b>Flotation</b>	Front to back float or back to front float – 5 seconds each side. Tread water and/or any stroke sculling for a minimum of 1 minute.	Front to back float or back to front float – 5 seconds each side. Tread water and/or any stroke sculling for a minimum of 1 minute.	Front to back float or back to front float, 5 seconds each side. Tread water and/or any stroke sculling for minimum of 2 mins.
<b>Submersion</b>	Submerge to touch the bottom with hands.	Submerge to touch the bottom with hands	Submerge to perform forward or backward roll/somersault underwater, recover to surface, submerge to touch the bottom with hands.
<b>Propulsion</b>	Swim on front through water any stroke for 25 metres followed by survival stroke(s) breaststroke and/or sidestroke and/or back sculling for minimum 10 metres.	Swim on front through water any stroke for 25 metres followed by survival stroke(s) breaststroke and/or sidestroke and/or back sculling for minimum 25 metres.	Swim on front through water any stroke for 25 metres followed by survival stroke(s) breaststroke and/or sidestroke and/or back sculling for minimum 50 metres.

### **Stage Three: Under 12, Under 13, Under 14**

Junior/trainee lifesaver – pathway to SRC

Recommended depth of safe aquatic environment 1.8 metres

	<b>Under 12 (DOB 1/10/2013–30/09/2014)</b>	<b>Under 13 (DOB 1/10/2012 – 30/09/2013)</b>	<b>Under 14 (SRC) (DOB 1/10/2011 – 30/09/2012)</b>
<b>Flotation</b>	Front to back float or back to front float – 5 seconds each side. Tread water and/or any stroke sculling for minimum 3 minutes.	Front to back float or back to front float – 5 seconds each side. Tread water and/or any stroke sculling for minimum 3 minutes.	Front to back float or back to front float – 5 seconds each side. Tread water and/or any stroke sculling for minimum 3 minutes.
<b>Submersion</b>	Submerge to perform forward or backward roll/somersault underwater, recover to surface, submerge to touch the bottom with hands.	Submerge to perform forward or backward roll/somersault underwater, recover to surface, submerge to touch the bottom with hands.	Submerge to perform forward or backward roll/somersault underwater, do not recover to surface, submerge to touch the bottom with hands.
<b>Propulsion</b>	Swim on front any stroke for 75 metres followed by survival stroke(s) breaststroke and/or sidestroke for minimum 50 metres.	Swim on front any stroke for 100 metres followed by survival stroke(s) breaststroke and/or sidestroke for minimum 50 metres.	Swim on front any stroke for 100 metres followed by survival stroke(s) breaststroke and/or sidestroke for minimum 100 metres.

## NIPPERS SURF EDUCATION AWARD

The Nippers Surf Education Awards are designed to recognise the knowledge and skills that children acquire throughout the Nippers program. These awards are an integral part of the Junior Development Program and are tailored to the specific age groups of the participants. Surf education is a continuous process reinforced throughout each Nippers session. To be eligible for the SLSNSW award, Nippers must achieve 70% attendance across the season.

## CARNIVALS

Carnivals are a great way for kids to test the skills they have developed at nippers. We encourage all kids to go along and have a go. It's about building up confidence and enjoying the events.

Sydney Northern Beaches Branch conducts carnivals during the season for age groups U8 upwards for Beach, and U9 upwards for Water.

The main limiting factor to entering nippers in carnivals is that volunteer officials must also be provided by the Club. **For the 2025/26 season we will need volunteer carnival officials, a competition manager and water safety** to support any nippers who wish to participate in these events.

The Carnival Official Course has no pre-requisites and is open to anyone. Furthermore, you can pick the area in which you wish to officiate on the day, and you have the best beach-side view of what's going on.

## REGISTRATION

Both new memberships and renewals should be completed online through the [SLS Hub](#). For detailed instructions on how to join South Curl Curl SLSC or renew your membership, please refer to the [SLS Hub User Guide](#).

For assistance with your registration, please come down the Nippers Open Day on 20<sup>th</sup> September between 10am-12pm where members of the Nippers team will be able to guide you through the process.

For any additional enquiries regarding registration or club membership please email [mail@southcurlcurlslsc.com.au](mailto:mail@southcurlcurlslsc.com.au)

SLSA requires all nippers to be current financial members, non-financial members will therefore not be able to participate until their membership is renewed and paid online.

Online accounts need to be created for each club member (as each individual account moves with the member throughout their surf lifesaving membership). Memberships can then be linked together to make a family payment rather than separate payments for each member.

A screenshot of the SLS Hub sign-in page. At the top center is the Surf Life Saving Australia logo. Below it is the text "Sign in to SLS Hub". There are two input fields: "Username" and "Password", both with red "..." icons at the end. Below the password field is a link "Reset Your Password". A large dark grey "Sign In" button is centered below the inputs. At the bottom, the text "Don't have an account? [Sign Up](#)" is displayed, with the "Sign Up" link circled in red.

## 2025/26 FEES FOR SOUTH CURL CURL SLSC:

### Price List

Membership Fees	Other Fees
<b>Active (15-18 yrs) - Renewing Active Junior Patrolling (15-18 yrs)</b>	\$50.00
<b>Active (15-18 yrs) - New Active 15-18 yrs Patrolling member 15-18</b> <i>Includes bronze training course</i>	\$300.00
<b>Active (15-18 yrs) - SCC SRC to Bronze</b> <i>Existing SCC member SRC doing BM (includes membership fee)</i>	\$100.00
<b>Cadet Member (13-15 years) - Renewing Cadet SRC Grp (13-15 yrs)</b> <i>See Active 15-18 if doing bronze trg</i>	\$100.00
<b>Cadet Member (13-15 years) - New Cadet SRC Grp (13-15 yrs)</b> <i>May include SRC training but not bronze training</i>	\$100.00
<b>Active (18yrs and over) - Renewing Active Patrolling Member 18+ yrs</b>	\$90.00
<b>Active (18yrs and over) - New Active Patrolling Senior Member</b> <i>Does not include any training or course fees</i>	\$90.00

<b>Award Member - Renewing Senior Award Member</b>	\$90.00
<b>Inclusive/Adaptive Program Participant - SCC Rippers</b>	\$100.00

## CODE OF CONDUCT FOR NSW NIPPERS SURF LIFE SAVING

The Code of Conduct for NSW Nippers Surf Life Saving outlines the expected behaviour of all participants, including Nippers, parents, carers and volunteers. This code ensures a safe, respectful, and enjoyable environment for everyone involved in the program. The key points include:

- Respect and Fair Play: All participants should show respect for others, including fellow Nippers, coaches, officials, and spectators. Fair play and sportsmanship are essential values to uphold.
- Safety First: Safety is the top priority. Participants must follow all safety guidelines and instructions provided by the Age Managers, Parent Helpers and Water Safety. This includes always wearing the appropriate uniform and safety gear.
- Positive Attitude: Nippers should maintain a positive attitude and encourage their peers. Bullying, harassment, or any form of negative behaviour will not be tolerated.
- Participation and Effort: Nippers are encouraged to participate fully in all activities and give their best effort. The focus is on personal development and enjoyment rather than winning.
- Parental Support: Parents and guardians should support their children in a positive manner. They should respect the decisions of coaches and officials and refrain from any negative or disruptive behaviour.
- Volunteer Commitment: Volunteers play a crucial role in the success of the Nippers program. They should fulfill their responsibilities with dedication and integrity, setting a positive example for the children.

By adhering to this Code of Conduct, we can ensure a positive and supportive environment for all participants in the South Curl Curl Nippers Program. For further information please refer to:

[Member Protection \(Code of Conduct Extracted\) - Surf Life Saving NSW.](#)

## MEMBER PROTECTION AND COMPLAINTS

If any member believes there has been a breach of the code of conduct or wishes to make a complaint, they are encouraged to contact the Complaints Manager directly at [complaints@southcurlcurlslsc.com.au](mailto:complaints@southcurlcurlslsc.com.au). It is essential for the Surf Club to protect all members from discrimination, harassment, abuse, and other inappropriate behaviour. Prioritising member protection ensures a safe and positive environment where everyone can fully participate in club activities.

## NIPPERS CALENDAR OF EVENTS 2025/2026

### SEPTEMBER 2025

**Sunday 20<sup>th</sup>** **NIPPERS OPEN DAY, 10am – 12pm**

### OCTOBER 2025

**Sunday 12<sup>th</sup>** **First day of Nippers - Registration and Proficiencies**

Sunday 19<sup>th</sup> Normal Nippers  
Sunday 26<sup>th</sup> Normal Nippers

### NOVEMBER 2025

Sunday 2<sup>nd</sup> Normal Nippers  
Sunday 9<sup>th</sup> Normal Nippers  
Sunday 16<sup>th</sup> Normal Nippers  
Sunday 23<sup>rd</sup> Normal Nippers  
Sunday 30<sup>th</sup> Normal Nippers

### DECEMBER 2025

Sunday 7<sup>th</sup> Normal Nippers  
**Sunday 14<sup>th</sup>** **Christmas Nippers – All ages groups combined – 9.30am start**  
Sunday 21<sup>st</sup> NO Nippers  
Sunday 28<sup>th</sup> NO Nippers

### JANUARY 2025

Sunday 4<sup>th</sup> NO Nippers  
Sunday 11<sup>th</sup> NO Nippers  
**Sunday 18<sup>th</sup>** **Normal Nippers**  
Wed 21<sup>st</sup>– 23<sup>rd</sup> Board Camp for U9-U13 (date not confirmed)  
Sunday 25<sup>th</sup> Normal Nippers

### FEBRUARY 2025

Sunday 1<sup>st</sup> Normal Nippers  
Sunday 8<sup>th</sup> Normal Nippers  
Sunday 15<sup>th</sup> Normal Nippers  
Sunday 22<sup>nd</sup> Normal Nippers

### MARCH 2026

Sunday 1<sup>st</sup> Normal Nippers  
Sunday 15<sup>th</sup> Normal Nippers  
**Sunday 22<sup>nd</sup>** **FINAL NIPPERS & PRESENTATION - All ages groups combined – 9.30am start**

### APRIL 2026

**Thursday 9<sup>th</sup>-12<sup>th</sup>** **SURFARI - END OF YEAR NIPPERS CAMPING TRIP - All welcome**

\* Information valid as of August 2025 - subject to change

## JOIN THE SOUTH CURL CURL NIPPERS WHATSAPP COMMUNITY

Stay connected and up to date with all Nippers activities and events by joining our WhatsApp community. This will ensure you receive the latest information, reminders, and any important announcements directly to your phone. We encourage all members to use the QR code or link join so you don't miss out on upcoming programs and opportunities.

## SURFARI – NIPPERS END-OF-SEASON CAMPING TRIP

Surfari is the South Curl Curl Nippers' annual end-of-season camp held at Racecourse Beach Tourist Park, Bawley Point NSW. It's a fun-filled, family-friendly tradition where members enjoy four days of activities including surfing, swimming, fishing, bike riding, games, a beach carnival, a talent show, and evening meals together.

**DATES:** **Thursday 9th – Sunday 12th April 2026** (many families arrive early or stay longer)

**LOCATION:** [Racecourse Beach Tourist Park](#), 381 Murramarang Road, Bawley Point NSW 2539

**ACCOMMODATION:** Camping is available (book early and mention "South Curly" for a discount). Cabins, villas, and bunkhouses may also be available, with priority for Age Managers and volunteers.

**COSTS:** Approximately \$30–\$35 per adult per day (excluding accommodation). Covers catering, equipment, BBQs, and transport.

### Meals included:

- Bacon & egg BBQ brunch
- Kids' fruit & milkshakes
- Dinner each evening

### Keep updated with the latest Surfari News:
